What is a Walmart Visa Gift Card?

A Walmart Visa Gift Card is a prepaid card that functions similarly to a debit card but is loaded with a fixed amount of funds. Because it carries the Visa logo, it can be used anywhere Visa debit cards are accepted—not just at Walmart. This flexibility makes it superior to a traditional **walmart gift card** or **walmart gift certificate** which are typically locked to Walmart stores and Walmart.com.

Walmart Gift Card vs. Walmart Visa Gift Card

It is important not to confuse the two. A standard **walmart gc** is great if you are loyal to the brand, but a Walmart Visa Gift Card gives you the freedom to shop at gas stations, restaurants, and other online retailers. However, if you are strictly looking to shop at Walmart, a standard **walmart e gift card** might have fewer fees associated with purchase and activation.
