Frequently Asked Questions

Can I use an Apple Store Gift Certificate for in-game purchases?

Yes absolutely. Once you redeem your **apple gift certificate** to your Apple ID, that balance is the primary payment method for any App Store transaction, including in-app purchases in games.

Is there a difference between an iTunes Gift Card and an Apple Gift Card?

In the past, yes. **itunes gift card** codes were for media, and Apple Store cards were for hardware. Today, the **apple gift card** (often with the colorful Apple logo) covers everything: hardware, software, music, and iCloud.

Do these gift cards expire?

Generally, Apple gift cards do not have an expiration date. However, **unused itunes codes 2026** lists you might find on forums often consist of older promotional codes which might have specific terms. Always redeem a code as soon as you get it.

How can I check my balance?

After **redeeming apple gift card** codes, your balance appears under your profile in the App Store. If you haven't redeemed it yet, you can't check the balance without redeeming it, to prevent fraud.

Are the "free code" generators real?

No. Any site claiming to be an **apple gift card generator** without requiring any effort is likely a scam. Stick to legitimate reward sites or [verified promotional offers](#) to stay safe.
