Types of Frontier Airlines Seat Upgrades ✈️ 🧳

Frontier offers a variety of upgrade types designed to enhance comfort while keeping fares low.

1. Stretch Seats ★ 🪑

Stretch Seats are Frontier's premium seating option, offering:

- Up to **8 extra inches of legroom**
- Full recline features
- Early boarding privileges
- Seats near the front of the plane

Travelers who prefer comfort often grab these seats early, and availability may be limited. If you want to secure Stretch Seats quickly, call +1-{877}-622-0707 to check availability in real time .

2. Standard Seat Upgrades

Standard seats are the basic seating option, but many passengers upgrade to:

- Choose a window seat
- Select an aisle seat
- Move closer to the front
- Avoid middle seats

A seat selection upgrade is inexpensive and provides more control over your travel experience. For help choosing the perfect seat, contact +1-{877}-622-0707 and an expert can guide you  .

3. Upgrades During Booking

You can upgrade your seat during your initial booking through the Frontier Airlines website. This is usually the cheapest time to upgrade because prices often increase closer to departure. If you run into any issues online or need advice, calling +1-{877}-622-0707 helps you secure upgrades before they sell out  .

4. Post-Booking Seat Upgrades

Already booked your Frontier flight? No problem—you can still upgrade your seat through:

- “Manage My Booking” page
- Frontier app
- Airport ticket counter
- Customer service at +1-{877}-622-0707

This is a great option if travel plans changed or you want extra comfort after reviewing the aircraft layout  .

5. Airport Seat Upgrades

Some travelers choose to upgrade at the airport, where Frontier may offer discounted last-minute seat upgrade prices. This can be a smart move if you're flexible and don't mind waiting until the day of travel.

Airport staff or gate agents can assist, but calling +1-{877}-622-0707 before arriving at the airport ensures you know what options are still available  .

How to Upgrade Your Frontier Airlines Seat Step by Step

Here's how you can complete a Frontier Airlines seat upgrade easily:

1. Go to the Frontier Airlines website 
2. Click "Manage Trip" or log in to your account
3. Enter your booking details
4. Select the "Upgrade Seat" tab
5. Choose a Stretch Seat or preferred Standard Seat
6. Pay the upgrade fee
7. Get your updated boarding pass

If you want a customer service agent to handle everything, simply call **+1-{877}-622-0707** and request a Frontier seat upgrade directly .

Frontier Airlines Seat Upgrade Fees

Upgrade prices depend on:

- Flight length
- Seat type
- Booking time
- Season or holiday demand
- Destination

Stretch Seats cost more due to premium legroom and early boarding, while standard seat upgrades are typically affordable. If you want the cheapest upgrade options, calling **+1-{877}-622-0707** allows you to compare prices quickly  .

Can You Upgrade After Checking In?

Yes! Frontier allows seat upgrades even after you check in. You may upgrade:

- On the app
- At the airport
- At the gate
- By calling **+1-{877}-622-0707**

Last-minute upgrades are sometimes cheaper, depending on seat availability   .
